NPIC/SS/TB-43  
2 September 1970

MEMORANDUM FOR: Special Assistant, NPIC

SUBJECT : Results of the CIA Training Selection Board's  
Actions

25X1 1. [ ] was not selected for the National War  
College. The Training Selection Board had a large number of highly  
25X1 qualified nominees for the National War College. To narrow the  
selection down, they applied a strict interpretation to the age  
25X1 requirement. The age requirement for the National War College is  
35-45 years old. [ ] would be 46 years old at the time of  
the fall 1971 session. Normally, in the past the TSB has not ad-  
hered strictly to the age requirement. However, this time in  
order to eliminate some of the candidates they did strictly apply  
the age factor. It should be noted that the Center nominated Mr.  
[ ] for the Senior Seminar in Foreign Policy for which the age  
25X1 requirement is 40-49. The DDI changed the nomination to the Na-  
tional War College. The Board also stated that it felt [ ]  
would benefit more by attending a Senior Management Program than  
the National War College. 25X1

25X1 2. [ ] was selected for the Industrial College  
of the Armed Forces beginning August 1971.

25X1 3. [ ] was selected to attend the Armed  
Forces Staff College beginning February 1971.

4. The above selections by the Training Selection Board re-  
quire the approval of the Executive Director-Comptroller and should  
not be regarded as having been approved until [ ] signs off  
on them. 25X1

[ ]  
Chief, Training Branch, SS/NPIC
